

Building solid foundations for life and learning

It is our mission to provide a quality Christ-centered early childhood education that builds a solid foundation for life long learning.

Dear Parents of Preschool Children,

Trinity Lutheran is looking forward to its thirty-fifth year of Early Childhood Education! We are now enrolling children in the 2018-2019 three year old Preschool class. Sessions begin in early September and continue through the month of May. Parents may choose a two day (Tuesday, Thursday 8:45-10:45 am), three day (Monday, Wednesday, Friday 8:45-10:45 am), or five day (Monday through Friday 8:45-10:45 am) Preschool program. Children must be independently toilet trained to be in the program. Children should be three years of age by September 1. We offer extended day opportunities for those seeking a full day schedule.

The Preschool program is a part of the Early Childhood Education Program at Trinity Lutheran School. The Christ-centered preschool program offers your child the opportunity of hearing the Word of God and sharing in Christian fellowship with other children. Our program will help your child grow emotionally, physically, mentally, and socially with children of his own age away from the home environment. Children are encouraged to explore and create in developmentally appropriate activities. Play is a part of our day as we believe play is a positive and natural way children learn.

The cost to all children for the two day program is \$1170 annually, \$130 per month. The cost for the three day program is \$1440 annually, \$160 per month. The cost for the five day program is \$1980 annually, \$220 per month. A \$75 nonrefundable fee is required with the registration to hold an opening for your child. This amount will **not** be considered part of the first month's fee. Parents are required to pay the September tuition at registration in August. ACH withdrawals (automatic) will occur every month starting in September. The last payment for preschool will come out in April.

Enclosed is an information sheet along with a registration form for enrolling your child in Trinity Lutheran Preschool. A \$75 fee is required with the registration to hold an opening for your child. This registration fee is non-refundable. The classes will be filled in the order that we receive the registration form and fee. ***The timely return of the registration form along with the \$75 fee to the school office will hold your preferred spot for next year.***

If you have any questions about the program, please feel free to contact one of us.
