

Enjoy the Convenience of Electronic Giving

Trinity wants to remind you that we offer electronic giving as a way to automate your regular weekly offering and/or *Here We Stand ... Too!* pledge payments and gifts. Electronic giving offers convenience for individual congregation members and provides much-needed donation consistency for our congregation.

Direct Debit Giving is used to automatically transfer funds from your checking or savings account to the church's bank account on a schedule chosen by you.

As you contemplate future contributions, please consider electronic giving. There is an Authorization Form on the reverse side of this announcement. Complete the form, attach a voided check (checking) or confirmation from your bank of routing number and account number (savings) and return the authorization form to the Finance Office. Additional authorization forms and additional information are available from the Finance Office.

If you would like to continue putting something in the offering plate each weekend showing your participation in giving to Trinity, Offering Plate Cards are available at the Information Centers or in the Church Office. Simply insert the card in your offering envelope and put the envelope in the offering plate or just put the Offering Plate Card in the offering plate.
