Los Limones Team 2017

Make plans now for the Trip of a Lifetime! Join the Los Limones 2017 mission team sponsored by Trinity. We have a great experience planned and would love to have you be part of it. Just remember—God is the tour guide for this trip. Who knows where he will take us! The information below is offered to answer questions you might have.

Trip Coordinator: Most Ministries

Liaison to MOST Ministries: Pastor Jeff Heimsoth

Dates of the Trip: August 4-August 12

Cost of the Trip: \$2200-\$2400

Purpose of the trip:

As we build our relationship with the Church of the Resurrection in Gualan and the ministry they have planted in the Los Limones community, this trip will serve several purposes:

1. Assist locals in the construction of their sanctuary. We have funds ready to send for them to begin the construction. We may need to raise some more funds for them to complete the project. This project will allow the congregation at Los Limones to secure the furnishings for their ministry. With this they will not have to get everything out of the storage shed and put it all away again every time they have an event. It will also allow the site to look like a church.
2. Bring more water filters to set up for families of Los Limones. This would allow us to continue to build on what we are known for already in the community. It is also something we are familiar with, having done it in 2015.
3. We have funded a gardening project begun this spring. The team will be able to see and evaluate the success of that project and if that should be continued. If so, the team can learn more of how to expand that ministry.
4. This is our second trip and will be used to further develop and strengthen our relationship with the people of Los Limones and the Church of the Resurrection.
